Have you ever held a 13-FOOT, 100-POUND PYTHON, starred into the eyes of BRUTUS, or unknowingly worn a safari vest filled with CREEPY CRITTERS? Our volunteers get to do that and much more!

The Wild World of Animals show is fast-paced and full of energy! The animals in the show range from arthropods, amphibians, reptiles, birds and finally mammals. Our audience learns interesting animal facts, laughs at their antics and witnesses their amazing natural abilities.
